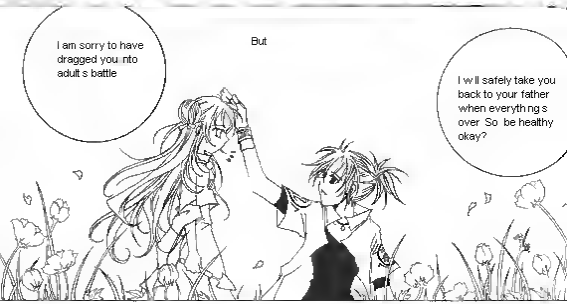
And I was left alone
Leaves sang with wind
물푸레나무
Ash Tree
And there was sound of a warrior s footsteps among the r singing
So this s Son Suk Myeong s daughter
Isn't she a little too young to take as a hostage ?
Sake of our young lord is in his hands. We have no other choice. As soon as everything goes well, she will be returned unharmed.

When the smell of forest was becoming stronger,
But I still don't like why you had to seal her vision
I was kidnapped by my father's enemies..
But
She skipped breakfast as well as lunch
Soryu I hear you don't eat well ?
Not good
Come on. Let's be honest. You are very, very hungry, right now, no?
Hmm ~
Fine then I will make you hungry
Don't go too far

Th s s my secret garden
You w ll play with me r ght here We w ll d g and play with so ls You w ll be hungry n no t me then
I know you can't see r ght now So..just touch so ls
Hey your sleeves are way too long You can't play with sleeves l ke that
Hmm you are indeed a noble s daughter
You are acting tough
You don't cry
If I were you I d be scared to death by now espec ally without my v s on

The truth was that I was afraid of him.



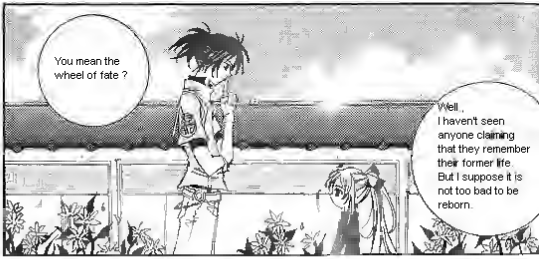
I am sorry to have dragged you nto adult s battle
But
I w ll safely take you back to your father when everyth ng s over So be healthy okay?

I knew It was go ng to happen

So I was just hold ng my fear ns de of me

Do you lke ranly days ? No ?
I lke ranny days more than sunny days I feel be ng cleansed by ran
Soryu d d you know that water flows downwards only ?
It always goes downwards
?
Ahah ~ flowers fell due to ran
They w ll blossom agan next year
Do

humans reborn when they die ?



You mean the wheel of fate ?
Well , I haven't seen anyone claiming that they remember their former life. But I suppose it is not too bad to be reborn.

But I am pretty sure I w ll go to Hell after th s l fe
I mean even f I do good deeds my next form w ll only be just another human body

I w sh to be reborn as

A tree.

You don't need to do much to be a good tree. All you need is dew.

They don't need to care about trends and flow of the fate. By just standing, they will say that you've done a good job.

...

You talk too much.
You will only be bored if you become a tree.
You are right. I will probably be. So, will you bring water to me and talk to me even?
I don't like talking.
Awww, come on, pretty please?
I...
will not see you again because I
will be reborn as a r

Why did you call me in middle of night ?
Good kids go sleep early.
Actually, I had good news. I was going to tell you tomorrow though.
Everything went well with Soryu's father. You will go home soon.
How about that? Aren't you happy?

Who s there ?
Intruders
My lord!
Where s
Did you know this was going to happen ? Is that why you called me?
Is that it ?
But how . .
You have an ablity to foresee the future
Soryu

Am I going to die tonight ?

was not a good girl

I knew everything
My cruel and ruthless father
and I was his precious child
The outcome
seemed so obvious that
I felt foreseeing the future
wasn't even worth a try

What I couldn't understand was that he turned around and went back to f ght
And the k dnappers who also ins sted on f ghting back when it was so obv ous that they were go ng to lose
I th nk I was unable to hear any sound at that n ght
It was just that the shadow of ash trees looked sorrow and scent of thyme t ckled my nose
I ...
Here she s ! Lady Soryu s here !
M lady ! Are you al r ght ?!

d dn't even know the name of the soft hands

Neither did I know

and his eyes ...
All I knew was
His wish

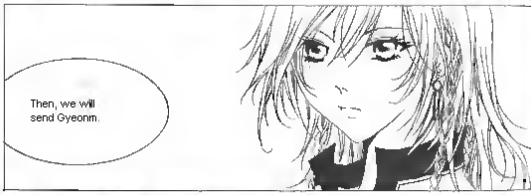
Su has been expanding their land.



Then, we will send Gyeonm.

Why did it have to be Gyoenm ...
I mean there were many

He couldn't say no. What an idiot, he is
Taste of his own medicine ~ Ah-haha ~
Okay
Lady Hanah, it's time for you to sleep
You know Lady Myowon
Yes ?
If you want something from him, just push your opinion. Ryusan is not the kind of a guy who can refuse a fine lady's demands
The moment he opens his mouth and gets angry is when he will lose. No rules will be there once he loses.
Heheh
I hope you two will get along better.
I mean you two belong to the same mentor ...

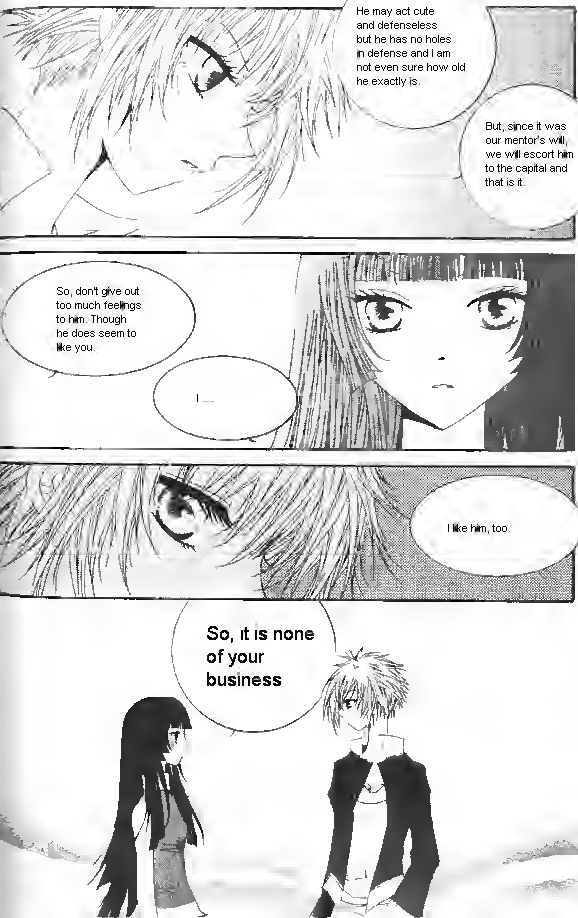
If you two don't get along well...,
it will ... only get harder ....on your way back...

knock
knock

....Ah.

I have something to tell you.
It's about Hanah.
yeah ...
Be careful about him.
But Hanah is ...
The guy ... unless he is really a girl, could be really dangerous.

©www.janimes.com



He may act cute and defenseless but he has no holes in defense and I am not even sure how old he exactly is.
But, since it was our mentor's will, we will escort him to the capital and that is it.
So, don't give out too much feelings to him. Though he does seem to like you.
I....
I like him, too.
So, it is none of your business

Are you telling me that you trust him more than me ?
But I don't know anything about you !
.... I don't know anything about you.
Is that so ?

But I know you very well
I guess I was out of line Sorry
Kim Myowon

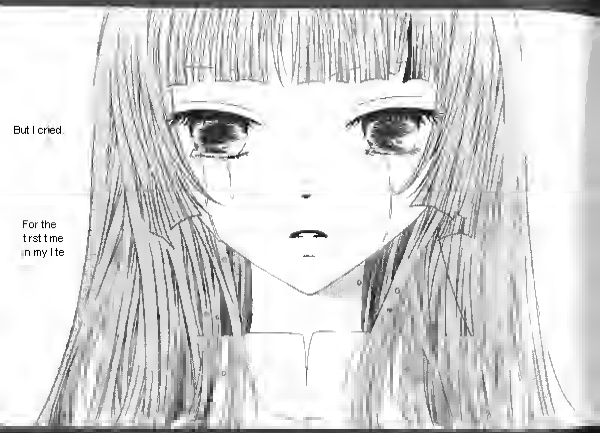
He spoke of her lastname

I didn't know exactly why . . .



He spoke to me while looking at me

We talked more than we did
for past years

And I think he cared about me

I wanted to see tranqu l eyes
of h s aga n

But

When he was a child,
his personality was ...
a little different
He was always
f ghting someone
It d d not
matter who
t was
If someone was n
h s way or
op n on he fought
them and was
always pun shed for it
Whenever I was
pass ng by h m when
he was be ng
pun shed

I always wondered
if he wasn't hungry at all.

He was always f ght-ng
someone and was
be ng pun shed for it

When does he eat, I wondered
always

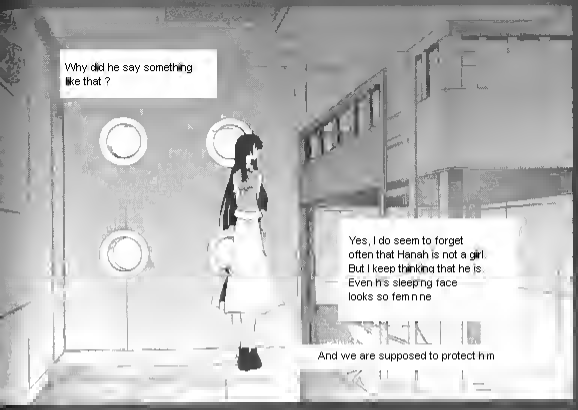
One day
I brought my
share of
buns

He was supposed to be stand ng and rece v ng pun shment But he was taking a nap
Myowon, give that to me. I am hungry.
So, I put it in front of him.

I thought he might smell it and eat it.
And I imagined of his pleasant face while eating it ....
But the other k ds eat the buns
냠냠
내가 먹을걸

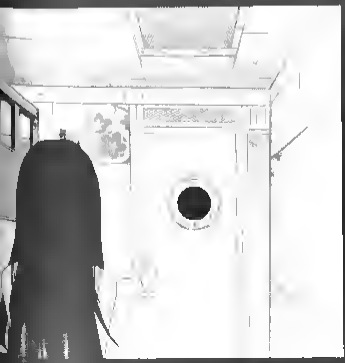
Probably...the buns...
would have been very
sweet and delicious...
Probably

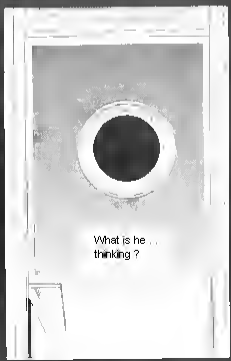
"Be careful about him



Why did he say something like that ?
Yes, I do seem to forget often that Hanah is not a girl. But I keep thinking that he is. Even h's sleeping face looks so fem n ne
And we are supposed to protect h m

But he wants me to be on alert ?





Myowon ?
Sleep more
It s st l dark
Yawn what
are you do ng
up ?
Sing me a song.
I am afraid that
I cannot sing.
I d d sleep
a lot dur ng
dayt me
Good n ght
lady Hanah

You have a pretty
voice You will do well

Come on

A small pond
freezes like
a mirror

And within it it holds shadows
of clouds

The pond s pure and tranquil

for it is not isolated

Last night fresh spring
water comes to the pond

달칵

Ryusan ?

Hey

Yawn
what s it

Get up
and get
dressed.
Huh ?

Something is going on above. We should change the room.

Oh, my my, what a slight to miss...
You act and look so cute that I feel like we are the bad ones.
It's been some time, has it, Harim ?
It's been 6 months since the little master died

Seven months
It has been seven months since I killed that rotten master!

I removed a really, really bad villian from this world . .
.....
But why ....
Is that I am left with no bless or happ ness ?
Why must I
suffer and run away ?

Shut up !
Have you forgotten that he took you under his wing ?! How dare you forget your debt ?!
What the ?
I reques to move the f ght to elsewhere
Oppa Used only by females
These two are not really involved after all. Besides, this *oppa is too busy to take care of his lady.

Hanah,
you are not to
act alone !
Ryusan
I want you to
remember me
as "Hanah" only
Who s br ght

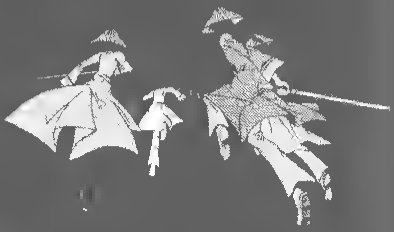
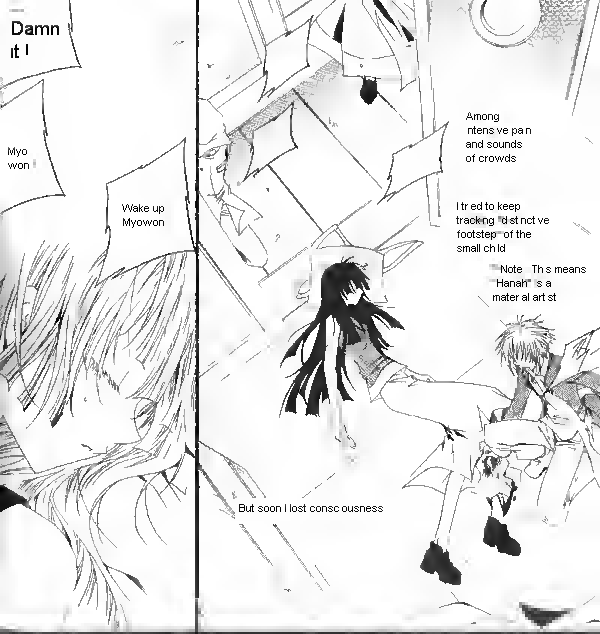
Hanah is still asleep. She hasn't woken up...

I bet she is having sweet dreams... So ...

Forgoet the current me ... for Hanah's sake.

Hanah !





Damn it !

Would you look after this woman ?

The last vo ce I heard
was Ryusan's vo ce that asked someone to look after me
And then I heard h s footstep chasing Hanah

I had a dream of [redacted]
with a silk ball

She was exactly in the same
outfit as we met for the first time
in the back of our home

She looked innocent and
bright I was relieved

Ryusan told me that she was no
ordinary fighter and that she would be
fine on her own
I trusted his words
Because I had no other choice

Therefore I trusted his words
And therefore I expect we will meet
again one day
Just like how we meet and
leave countless people in
our lives
